MMPA

1

ONE YEAR MMPA FOR
ACCOUNTING UNDERGRADUATE STUDENTS

MMPA PREPARES YOU FOR THE FUTURE.

Leadership

Decision-making is driven by analysis, insights and intuition. MMPA prepares you for leadership roles by boosting your analytical skills and business acumen with a core MBA curriculum.

Real-world relevance

From paid co-op work terms to career-relevant case studies and coursework, MMPA equips you with the skills and experience to step seamlessly into the workplace upon graduation.

Pathways

Your dreams determine your destination, and MMPA can get you there. This program is an accredited CPA pathway and puts you on track toward your chosen career, wherever that leads you.

Results

Your career aspirations push you higher, and MMPA delivers meaningful outcomes. With co-op work terms providing a valuable launchpad, 91% of MMPA graduates obtain full-time employment within six months of convocation.

PROGRAM AT A GLANCE

MMPA is a master's level fast track to rewarding careers in professional accounting, finance and the broader business world.

CPA Accreditation

The MMPA program is accredited by CPA, providing you a direct path towards obtaining your professional CPA designation. As an MMPA graduate, you will be able to move directly to the final module (Capstone 2) of the CPA Professional Education Program (PEP) and then onto the CPA Common Final Exam (CFE) within two months of program completion.

Professional Versatility

The careers of the future will be driven by innovation and adaptability. MMPA arms you with versatile accounting and business expertise comparable to that of a core MBA curriculum that will enable you to thrive in an evolving career environment.

Co-op Experience

Build your professional experience for your future with a four month co-op work term. Receive preparation and training from your dedicated, on-site placement managers to help with your resume and interview preparation. Students earn approximately \$15,000 per term.

WHAT TO EXPECT FROM MMPA

- 1** Interactive classes of 45 students with world class faculty at Canada's #1 university.
- 2** A rigorous in-class learning experience with a core MBA curriculum and CPA accredited courses help you build:
 - Analytical skills
 - Case-oriented reasoning capabilities
 - Technical knowledge
 - Integration of big data, data analytics, AI & other emerging technologies
- 3** 100% paid co-op work terms in a variety of relevant work environments. Co-op salaries are approximately \$15,000 per term.
- 4** Access to a large and well-connected alumni network including access to Canada's top business and accounting leaders.
- 5** Dedicated support throughout your application, studies and co-op experiences.

Career opportunities

The MMPA program is highly regarded by leading public and private accounting firms, financial institutions, consulting firms and other prominent businesses, with many of our students recruited even before they graduate.

ADMISSION

Admission decisions are based on an analysis of academic strength, leadership ability, experience, professionalism, and ability to communicate verbally and in writing.

Admission Requirements

- Completion (or in progress) of a 4-year undergraduate business or management degree specialized in accounting from a Canadian university
- Minimum grade of B+ in final completed year of study
- Minimum grade of B- in equivalent specified courses*
- Evidence of leadership abilities

Tuition

For 2023, the program tuition* for domestic students is approximately \$29,680 and for international students is \$63,370.

* Tuition amounts do not include ancillary fees which are approximately \$2K.

For up to date tuition and fees, please visit www.mmpa.ca

* specified course list available at mmpa.ca

- Co-op placements are paid
- Exclusive industry networking events
- Dedicated on-campus career managers
- One-on-one interview training, resume support, LinkedIn profile development and networking guidance
- Workshops designed to prepare you for the interview process, co-op and full time employment

APPLY TODAY

Why apply now? Here are three big reasons for submitting your application as early as possible:

1. Scholarships

Scholarships are awarded to eligible students who have completed their applications, up to \$15,000. Early application is recommended as scholarship funds are limited and awarded on a first-come, first-served basis. Visit our website for additional details.

2. Funding

The MMPA program enables students to earn money that can be put towards their tuition fees. They can earn up to \$15,000 per academic year in scholarships, and up to \$15,000 per paid co-op work term.

3. Limited Admission

Admission to the MMPA program is granted on an ongoing basis, with a final deadline of January 31st. With a cap on spaces on each intake, early application completion is encouraged. Applications open September 1st for all streams. Once the program is full you'll need to wait a year for the next intake.

APPLICATION DEADLINE

Final Deadline to submit all application material
January 31, 2024

The Institute for Management and Innovation inspires leaders to close the innovation gap through our six graduate programs and our research and innovation hubs.

Students thrive in our experiential learning environment, bolstered by powerful partnerships, our culture and values, and our connections within the University of Toronto ecosystem.

Studying at the Institute for Management and Innovation is unlike studying anywhere else. Our community is built on inclusivity and diversity of people, thought and experience. You'll be welcomed by a dedicated team of staff and faculty who are here to support your lifelong learning.

We inspire transformational thinking and collaboration, integrating people, place and purpose. Our students, faculty and researchers come together to build leaders and knowledge that harness innovation and apply it in ways that will create a positive impact for people and communities everywhere.

We can help open the door to the world for you.
