MMPA

2

**TWO YEAR MMPA FOR
ANY UNDERGRADUATE STUDENT**

The Master of Management & Professional Accounting (MMPA) is a life-long investment in yourself and your career. Our program and team can help you unleash your professional potential with:

Leadership

Decision-making is driven by analysis, insights and intuition. MMPA prepares you for leadership roles by boosting your analytical skills and business acumen with a core MBA curriculum.

Real-world relevance

From paid co-op work terms to career-relevant case studies and coursework, MMPA equips you with the skills and experience to step seamlessly into the workplace upon graduation.

Pathways

Your dreams determine your destination, and MMPA can get you there. This program is an accredited CPA pathway and puts you on track toward your chosen career, wherever that leads you.

Results

Your career aspirations push you higher, and MMPA delivers meaningful outcomes. With co-op work terms providing a valuable launchpad, 91% of MMPA graduates obtain full-time employment within six months of convocation.

PROGRAM AT A GLANCE

For students with any undergraduate degree, MMPA is an opportunity to reach a leadership role by pairing your knowledge with robust business and accounting capabilities.

MMPA is designed to be the most time-concentrated Master's level pathway to professional accounting, consulting and management careers for non-business undergraduate students.

CPA Accreditation

The MMPA program is accredited by CPA, providing you a direct path towards obtaining your professional CPA designation. As a graduate, you will move directly to the final module (Capstone 2) of the CPA Professional Education Program (PEP) and then onto the CPA Common Final Exam (CFE) within two months of program completion.

Professional Versatility

The careers of the future will be driven by innovation and adaptability. MMPA arms you with versatile accounting and business expertise to thrive in an evolving career environment.

Co-op Experience

Build your professional experience for your future with two four month co-op work terms. Receive preparation and training from your dedicated, on-site placement managers to help with your resume and interview preparation. Students earn approximately \$15,000 per term.

WHAT TO EXPECT FROM MMPA

- 1** Interactive classes of 45 students with world class faculty at Canada's #1 university.
- 2** A rigorous in-class learning experience with a core MBA curriculum and CPA accredited courses help you build:
 - Analytical skills
 - Case-oriented reasoning capabilities
 - Technical knowledge
 - Integration of big data, data analytics, AI & other emerging technologies
- 3** 100% paid co-op work terms in a variety of relevant work environments. Co-op salaries are approximately \$15,000 per term.
- 4** Access to a large and well-connected alumni network including access to Canada's top business and accounting leaders.
- 5** Dedicated support throughout your application, studies and co-op experiences.

Career opportunities

The MMPA program is highly regarded by leading public and private accounting firms, financial institutions, consulting firms and other prominent businesses, with many of our students recruited even before they graduate.

ADMISSION

The Two Year MMPA is open to all domestic and international students with any undergraduate or graduate degree.

APPLY TODAY

Why apply now? Here are three big reasons for submitting your application as early as possible:

1. Scholarships

Scholarships are awarded to eligible students who have completed their applications. Early application is recommended as scholarship funds are limited and awarded on a first-come, first-served basis. Visit our website for additional details.

2. Funding

The MMPA program enables students to earn money that can be put towards their tuition fees. They can earn up to \$15,000 in scholarships, and up to \$15,000 per paid co-op work term.

3. Limited Admission

Admission to the MMPA program is granted on an ongoing basis, with a final deadline of January 31st. With a cap on spaces on each intake, early application completion is encouraged. Applications open September 1st for all streams. Once the program is full you'll need to wait a year for the next intake.

APPLICATION DEADLINE
